

SUN RUN AND MALVERN CHALLENGE

Thank you for your enquiry, here are the leaflets and posters for this year's events. – Hopefully the leaflets will provide you with all the information you require but if not please do not hesitate to contact us – see details below. To enter simply return the booking form on the leaflet with your payment or do it all online and we will send each participant a booklet with all the information they need about the event including camp permission forms, kit lists, information for parents, routes and rules. Distribute the booklets to everyone and sit back and enjoy the events. Please help publicise both weekends and in particular the Sun Run, to ensure that these events continue to get bigger and better each year.

Malvern Challenge 29th June - 1st July 2012 – An action-packed weekend for all for Scouts & Guides, Explorers and Senior Section Guides under 16 years old who like having fun! It really is Scouting and Guiding at its best.

The Malvern Challenge is always very popular, and sadly, we have to turn many people away. To confirm your places please make sure that we have received your entry and payment as soon as possible – please note that prices increase nearer the event.

Sun Run 6th – 8th July 2011 – A fun packed weekend for all older (aged 14 upwards) fun loving members of the Scout and Guide movement - Explorer Scouts and Senior Section Guides, Scout Network, Leaders, Fellowships etc - Enjoy the coolest midsummer weekend at the hottest event of the year.

Make this the one to attend, includes a full catering option, it is the major event of the Scouting /Guiding calendar. To save any unnecessary panic it would be really appreciated if you could actually send in your entries before the deadline! Please think of the blood pressure of the organisers they're not as young as they used to be! Please note that the prices increase just before the event so please do book as early as possible.
